Summary

Creative producer and writer with hands-on experience in building content systems, shaping narratives, and executing on-ground productions. Skilled in turning raw and messy ideas into structured and audience centric stories. Drawn to roles that actively shapes what people think and talk about next.

Experience

Sukha Dukha Media

June 2025 – December 2025

Junior Creative Producer (Part-Time)

Bengaluru, Karnataka

- Led on-site production execution, coordinating logistics and providing creative input during filming/recording sessions.
- Produced creative scripts and structured content for multimedia projects; coordinated with design and production teams to deliver consistent content on schedule.
- Applied SEO best practices to web copy, resulting in higher search visibility and increased site traffic.

Content Writer (Internship)

February 2025 – May 2025

Bengaluru, Karnataka

- Contributed to the company's rebranding by crafting the brand tagline, documenting the new brand identity and tone, participating in logo design discussions, and co-designing the website experience.
- Wrote scripts for multimedia content, adapting tone and style for different platforms and brands.
- Developed Notion database, content templates and style guidance to track, standardise deliverables and reduce rework cycles by around 15–20%.
- Delivered a voiceover for promotional video.
